

Word Game

For Kids and Adults

See how many foods and drinks you can find that contain genetically modified ingredients. When you eat GMO-free, these should be avoided (unless they are organic or non-GMO) to protect your health and the planet's health.

*Hint: Words will be spelled across and up and down,
not spelled backwards.*

W H A T A R E W E E A T I N G F R A N K E N F O O D S
